

## PROF. DR. MARIO BÜSCH

### Publikationen

#### Artikel

LEDERER, M., QUITT, A. F., BÜSCH, M., AVCI, R. (2020). One size fits all? An analytical approach how to make use of process modelling techniques for different fundamental supply chain types. *International Journal of Supply Chain and Operations Resilience*, 4 (1), 1-20. doi:10.1504/IJSCOR.2020.105948.

#### Monografien

BÜSCH, M. (2019). *Fahrplan zur Transformation des Einkaufs. So erreichen Sie Spitzenleistung in der Beschaffung* (1 ed.). Springer Gabler.

#### Buchbeiträge & Kapitel

LEDERER, M., QUITT, A. F., AVCI, R., BÜSCH, M. (2019). Supply chain processes modelling for digitalization. A scientific classification and practical recommendation model (1 ed.). In Sabri (Ed.), *Technology Optimization and Change Management for Successful Digital Supply Chains* (pp. 275-290). Pennsylvania: IGI Global.
